CORAM : KISHORE C. SANT, J.

DATE : 23rd SEPTEMBER, 2025.

PER COURT :-

. Civil Application No. 7344/2013 is filed seeking
condonation of delay of 1938 days caused in filing the first appeal

by the State Government. An order under challenge is an order passed by the learned Ad-hoc District Judge – 1, Amalner in L.A.R. No. 603/1993. The State has not taken steps as against unserved respondent and therefore, the application is on board.

2. The learned A.G.P. submits that, the land of the claimant came to be acquired for the project of Minor Distribution System of Hatnur Dam admeasuring 64 R. The learned S.L.A.O. awarded rate of Rs. 240/- per R. The learned Reference Court has enhanced the said rate to Rs. 666/- per R.

3. It is seen that, the rate awarded is less than four times of the rate awarded by the learned S.L.A.O. Considering the policy of the Government by Government Resolution dated 03.11.2016 and corrigendum dated 23.02.2017 this Court finds that, keeping the application and appeal pending would be of no use. Therefore, this Court dismisses the civil application. Consequently, the first appeal stands dismissed.

4. In view of disposal of the first appeal, Civil Application No. 7345/2013 does not survive and the same is also dismissed.
