DATE : **2nd July, 2025**

P. C. :

. All these petitioners are entities who claim to have deployed
their employees under the EGS for the construction of a public road.
The amounts of outstanding bills are set out in the prayer clauses in
each of these petitions. All of them have tendered their representations
seeking clearance of the bills. These representations are pending with
the respondent authorities.

2. We would normally not issue directions for clearance of bills since this amounts to recovery orders.

3. Therefore, all these petitions are disposed of with a direction to the respondent authorities to consider the representations of the petitioners and carry out a verification exercise. If there are certain amounts which are not disputed, the same may be paid to these petitioners within a period of ninety (90) days. If any amounts are disputed, these petitioners shall be informed in writing by the respondents and they would be at liberty to avail of the recovery proceedings for recovering the disputed amounts.

4. Pending applications, if any, also stand disposed of.
