DATE : 18.09.2025

PER COURT :

1. The following writ petitions are taken on production board:

Writ Petition Nos. 10088 / 2025, 10090 / 2025, 10103 / 2025,
11405 / 2025, 11406 / 2025.

2. All these writ petitions are listed for the first time. Writ Petition No. 10775 of 2025 is not on board, but it is taken on board, as identical issue arises in the said petition also.

3. The controversy in these petitions is limited and the learned counsel for the petitioners rely upon the earlier orders passed by this Court, wherein identical issue was raised with regard to the proposals for transfer of employees from un-aided posts to aided posts, as also partially aided posts to aided posts.

4. In that light, we are of the opinion that all these petitions can be disposed of by issuing identical directions, so that the concerned authorities can take decision on the pending proposals pertaining to the petitioners, on their own merits and in the light of the directions issued by this Court in identical petitions.

5. It is brought to our notice that when the identical issue was raised in one of such petitions, i.e. ***Mansi Arun Kelkar Vs. The State of Maharashtra and Others (Writ Petition No. 1021 of 2025)***, by an order dated 03.02.2025, a Division Bench of this Court disposed of the writ petition, directing that a proposal similar to that of the petitioners herein be decided within a stipulated period of time by the concerned authority. The operative portion of the said order reads as under:-

“7. The writ petition is allowed. Respondent No. 3 is directed to consider and decide the petitioner’s proposal dated 31.07.2024 in accordance with Rule 41 and 41-A of the MEPS Rules, 1981, as expeditiously as possible and in any case within 4 weeks, without referring to the Government Resolutions dated 29.04.2024 and 03.10.2024.”

6. In the present petitions also the petitioners are seeking similar relief with regard to a decision on merits in respect of the proposals pertaining to them for transfer from un-aided to aided / partially aided to aided post / division as assistant teachers.

7. Following the aforesaid dictum, we are inclined to allow all these petitions. Accordingly, the petitions are allowed by directing the respondents – Education Officers (Primary/Secondary), Deputy Director of Education, as the case may be, to decide the pending proposals of the petitioners in terms of the law laid down and the directions issued in the case of ***Mansi Arun Kelkar*** (supra), particularly, as per the operative direction contained in paragraph No. 7, quoted hereinabove. An endeavor shall be made to decide all such proposals within a period of six weeks from today.

8. It is made clear that this Court has not expressed any opinion on the merits of the matters. Needless to say, the concerned authorities shall decide the pending proposals on their own merits.

9. In view of the above, the Writ Petitions are disposed of.

10. Pending applications, if any, also stand disposed of.
