DATE : 18.11.2025

PER COURT :-

. Heard both sides.

2. The counsels for both sides as well as their clients who are
authorised persons of the litigating sides are present today.

3. A report has been submitted by the learned Registrar (Judicial)
along with compromise/settlement *pursis* supported by affidavits and
documents. The parties have amicably settled the dispute of recovery of
amount by arriving at a settlement. The dispute is purely commercial in
nature. The report indicates that the parties have been duly identified and

there is verification of the terms of the settlement. I find no difficulty in accepting the report as well as compromise/settlement *pursis*.

4. I have also ascertained the identification of the parties present before the Court with the assistance of the learned counsel for both the parties. It is informed that the Commercial Suit no.10 of 2022 pending before the District Judge-2, Chhatrapati Sambhajinagar, is listed on 21.11.2025. Present revision application is emanating from the order passed under Order VII Rule 11 of C.P.C. The parties propose to dispose of the suit itself in the High Court. There is no impediment in accepting the request.

5. Civil Revision Application as well as Commercial Suit no.10 of 2022 pending before the District Judge-2, Chhatrapati Sambhajinagar are disposed of in terms of compromise/settlement *pursis*.

6. The compromise/settlement *pursis* was form part of the decree.

7. Decree be drawn accordingly.
