CORAM: SMT. VIBHA KANKANWADI AND
HITEN S. VENEGAVKAR, JJ.

DATE : 7th OCTOBER, 2025

ORDER :

1. Present application has been filed for withdrawal of the appeal on monetary ground.
2. Heard Ms. Bharaswadkar, learned Senior Standing Counsel for Union of India. She submits that the Central Board of direct taxes issued Circular No.9/24-Income tax dated 17th September 2024, enhancing the monetary thresholds for filing departmental

appeals following up on Circular No.5/2024/Income Tax, dated 15th March 2024. It is stated that the said move is in line with the Government's commitment to reduce unnecessary litigation and ensuring that only substantial tax disputes are escalated to the judiciary, thus reducing workload on Courts and fostering a more efficient tax dispute resolution mechanism. The enhanced monetary limit before this Court is Rs.2,00,00,000/-. In the present matter dispute valuation is Rs.1,12,89,470/- which is below the limit of the Circular dated 17th September 2024 and therefore, upon instructions, she is withdrawing the appeal. Along-with the application she has filed the copy of the Notification. She has also prayed for refund of the Court fees.

3. In view of the said submission, Application stands allowed. The Income Tax Appeal No.24 of 2024 stands disposed of as withdrawn. The Court fee refund is allowed as per the rules.
