

**IN THE HIGH COURT OF JUDICATURE AT BOMBAY
BENCH AT AURANGABAD**

19 WRIT PETITION NO.13922 OF 2025

**REUBAI SANTARAM SALVE & OTHERS
VERSUS
KAILAS RANGANATH BHOSALE & OTHERS**

...

Advocate for the petitioners : Mr.S.M.Kamble

...

CORAM : ARUN R. PEDNEKER, J.

DATE : 24.11.2025

P.C. :

1] The learned counsel for the petitioners submits that substantial delay in filing suit has not been considered.

2] However, the delay is a mixed question of facts and law and the same would be considered at the stage of trial, so also, the trial Court by impugned order dated 04.09.2025 rejected the application of the petitioners holding that there is no provision under the Watans Abolition Act excluding daughters as heirs and that the question of prior partition would be decided at trial. Considering the same, no case is made out for interference. Hence, the Writ Petition is dismissed.
