PER COURT :-

1. These are the applications for condonation of delay in filing the appeals by the Acquiring Body. The learned Advocate for the applicants submits that delay of 471 and 441 days respectively is occurred on account of completion of procedural formalities and

seeking approval for filing of the appeals and depositing of court fees. It is stated that the delay is unintentional and the respondents would not be put to any irreparable loss. The learned AGP and the learned Advocate for the respondents oppose the applications and submits that there are no sufficient reasons for condonation of delay.

2. Having regard to the contentions in the civil applications and the arguments advanced, the delay of 471 and 441 days caused in filing the first appeals is condoned in the interest of justice.
