CORAM:- BHARATI H. DANGRE, J.

DATED :- 17th March, 2025

P.C.:

The application seeks condonation of delay of 128 days in filing the First Appeal.

2. Heard learned counsel for the applicants and I have perused the application filed under Section 5 of the Limitation Act, 1963.

3. On its perusal, since it is noted that the delay is not malafide and has sufficiently explained, I am inclined to condone the delay since the grounds of medical illness which are stated in the application appear to be bonafide.

4. Misc. Civil Application is made absolute in terms of the prayer clause (a). The application is disposed of.
