Thereafter, daughter of the victim came to house of first informant and was staying with her but applicant was following her wherever she goes. It is alleged that on 31st January 2023, when the first informant and victim going to the college of victim as there was examination paper of the victim, when they were proceeding in auto-rickshaw, at that time, applicant intercepted the auto-rickshaw by his motorcycle and assaulted the first informant and victim with knife with intention to kill them. Due to assault by the applicant, the first informant caused injury on her thigh. Thereafter, applicant kidnapped the victim on his motorcycle. It is the contention of the learned counsel for the applicant that applicant is behind the bar for more than two years. There is no progress in trial. Victim is wife of applicant. The injury suffered by the first informant was not on the vital part of her body. If this Court imposes condition, applicant will follow it and he will not file application for relaxation of condition and requested to allow the application.

3. It is the contention of learned APP that applicant had sexually assaulted the victim. Victim is not the wife of the applicant. Applicant was stalking the victim. When she was not

responding, applicant with an intention to kill the first informant and victim, assaulted them with knife. If applicant is released on bail, he may threaten first informant, prosecution witnesses and requested to reject the application.

4. I have heard both learned counsel, perused F.I.R. and documents produced on record. Investigation is completed and charge-sheet has been filed. Applicant is behind the bar for more than two years. There is no progress in trial. Charge is not framed yet. It may take time to conclude the trial. The first informant suffered injury on her thigh.

5. Considering these facts, further detention of applicant is not required and I pass following order :
