PC :

1. The short issue that arises for consideration in this bunch of Appeals under Section 37 of the Arbitration and Conciliation Act, 1996 ("***the Act***") is two-fold. First, whether correcting the computation of compensation amount for land acquired for purposes of National Highways by including *solatium* would constitute modification of an arbitral award and thereby, whether it would be permissible under the Act. The second issue that has to be dealt with in each case is which vintage of land acquisition law would apply to each specific acquisition.

2. Based on the nature of the issues involved and bearing in mind the scope of jurisdiction under Section 37 of the Act, Learned Counsel have graciously agreed that the Petitioner shall take not more than **20 minutes** and the Respondents shall take no longer than **20 minutes** for verbal arguments in the matter.

3. Towards this end, the parties shall file a short Note on Submissions, not exceeding seven pages, along with page and case law references, setting out the manner in which the points canvassed by them ought to be accepted by this Court.

4. It is made clear that the time commitments made above shall bind the parties, and such time shall be utilized at the

discretion of the Counsel for verbalizing the pivotal submissions, resting assured that the rest of their contentions from their Note on Submissions, would be dealt with by the Court.

5. With the aforesaid commitments, stand over to ***April 30, 2025, “For Final Hearing and Disposal”*** on the ***“Supplementary Board”***.

6. All actions required to be taken pursuant to this order shall be taken upon receipt of a downloaded copy as available on this Court’s website.
