DATE : 1st OCTOBER, 2025

P.C. :-

1. The learned AGP submits that the inspection report
clearly indicates that the Petitioner has removed all deficiencies.

2. The learned Senior Advocate, Mr. Anturkar, points out
that the Pharmacy Council of India (PCI) has already given its
approval for the Academic Year 2025-2026. It was only because of
the dictate of the Joint Secretary, Higher and Technical Education
Department, Government of Maharashtra, that the Petitioner was

temporarily not permitted to admit students for the first year. He submits that the Maharashtra Government has now given the clearance and there is no impediment. Furthermore, the Maharashtra State Board of Technical Education has also given the clearance, and the PCI has also now permitted the Petitioner to participate in the admission process.

3. We, therefore, direct the PCI to give the clearance for the Petitioner's participation in the admission process, within 24 hours.

4. In view of the above, we direct the concerned Authorities, especially Respondent No.7, to forthwith include the Petitioner Institution in the list of eligible colleges, on its website, indicating that the said Institution is available for admission of students for the Degree and Diploma courses.

5. With the above directions, **this Petition is disposed off.**
