CORAM : SOMASEKHAR SUNDARESAN, J.

Date : March 27, 2025

P. C.

1. This Petition has been filed under Section 11 of the Arbitration and Conciliation Act, 1996 (***“the Act”***), seeking appointment of an arbitrator in connection with disputes and differences that are said to have arisen between the parties under two agreements – one dated April 9, 2007 and the other dated January 15, 2020. The arbitration agreement is contained in Clause 11 (found at Page 34 of the Petition). In the interest of brevity, the arbitration agreement is not being extracted here. Suffice it to say that this matter falls within the jurisdiction of this Court

2. It is apparent from the record that the arbitration agreement was invoked by Petitioner on June 17, 2024. It is evident that from the service affidavit dated March 10, 2025 demonstrating that service is complete. None appears for the Respondents.

3. The scope of review under Section 11 is explicitly set out in Section 11(6A) of the Act. It is now trite law, with particular regard to the decisions of a seven-judge bench in the *Interplay Judgement*¹ followed by multiple others, including *SBI General*² and *Patel*³ that the Section 11 Court ought not to venture beyond examining the existence of a validly existing arbitration agreement that has been formally executed. Even questions of existential substance is a matter that falls squarely in the domain of the arbitral tribunal, in view of Section 16 of the Act.

4. Being satisfied that an arbitration agreement is validly in existence, and that arbitration has been duly invoked, it is in the fitness of things to refer the disputes and differences between the parties in connection with the aforesaid agreements to arbitration by a Sole Arbitrator.

³ *Ajay Madhusudan Patel v. Jyotrindra S. Patel – 2024 SCC OnLine SC 2597*

5. In these circumstances, no useful purpose would be served keeping this Petition pending on the docket of this Court. Consequently, the Petition is ***finally disposed of***, in the following terms:
