5. Learned counsel for the Corporation submits that it may be clarified that if the undertaking is not abided and regularisation application is not filed, the Corporation shall be at liberty to implement the impugned notice and the speaking order. She submits that it may be also clarified that if the regularisation application is adversely decided and the appellant files any appeal, but if no favourable orders

are passed, the Corporation shall be at liberty to implement the impugned notice and the speaking order.

II. The appellant is permitted to file an application for regularisation of the offending structure within four weeks from today. If such application is filed, the same shall be decided by the Corporation within four weeks thereafter.

III. Till the decision of the regularisation application, the impugned notice and the speaking order shall not be implemented.

IV. If the decision in the regularisation application is adverse to the appellant, the same shall not be implemented for a period of four weeks from the date of intimation of the decision to the appellant.

V. In the event the appellant fails to abide by the undertakings given and the regularisation application is not filed within the time granted, the Corporation shall be at liberty to implement the impugned notice and the speaking order.

VI. It is further clarified that in the eventuality of filing any appeal against the decision of the regularisation application, if any favourable orders are not passed in the appeal, the Corporation shall be at liberty to implement the impugned notice and the speaking order after expiry of four weeks from the date of intimation of the decision on the regularisation application to the appellant.

7. The appeal is disposed of in aforesaid terms.
