P.C. :

. The applicants in all these applications are the same persons. Applicant No.1 is a company and applicant Nos.2 and 3 are its directors.

2. The applications have been filed for restoration of petitions, which were dismissed by orders dated 11.02.2025 for non-prosecution, as there was no appearance on behalf of the petitioners.

3. Having perused the applications, this Court is inclined to grant the prayers made therein. It appears that initially, the writ petitions were mentioned before a particular Bench for circulation and accordingly, circulation was granted for 11.02.2025. But, on 11.02.2025, the petitions came to be listed before another Bench, as per the extant assignment.

4. The counsel for the petitioners were unable to realize that although circulation was granted by a particular Bench, the petitions

were actually listed before another. It was for this reason that there was no appearance on behalf of the applicants/original petitioners, when the petitions were listed for consideration on 11.02.2025.

5. In this backdrop, this Court is satisfied that ground is made out for allowing the present applications.

6. Accordingly, the applications are allowed. Writ petitions are restored to file.

7. Heard the learned counsel appearing for the petitioners in these writ petitions.

8. Issue notice, returnable on 07.07.2025 High on Board.

9. In Writ Petition No.1780 of 2025, Mr. Rananaware waives notice on behalf of respondent No.1.

10. Additionally, the petitioner is directed to serve the respondents by way of private service and to file an affidavit of service on or before 01.07.2025.
