DATE : JULY 31, 2025

ORDER :

1. This Application has been filed under Section 11 of the Arbitration and Conciliation Act, 1996 (*“the Act”*), seeking appointment of an arbitrator in connection with disputes and differences that are said to have arisen between the parties under a Management Agreement dated February 5, 2019 (*“Agreement”*). The arbitration agreement is contained in Clause found at Page No.32 of the Application. In the interest of brevity, the arbitration agreement is not being extracted here. Suffice it to say that this matter falls within the jurisdiction of this Court.

2. The arbitration clause at Page 32 provides for a named arbitrator, who is a Chartered Accountant of the Applicant. In these

circumstances, Learned Counsel for the Applicant submits that an arbitrator may be appointed by this Court.

3. It is apparent from the record that the arbitration agreement was invoked by the Applicant on January 3, 2025, but there is no reply filed to the said invocation. Despite service, none appears for the Respondent. Consequently, no useful purpose would be served in keeping this Application any further.

4. The scope of review under Section 11 is explicitly set out in Section 11(6A) of the Act. It is now trite law, with particular regard to the decisions of a seven-judge bench in the *Interplay Judgement*¹ followed by multiple others, including *SBI General*² and *Patel*³ that the Section 11 Court ought not to venture beyond examining the existence of a validly existing arbitration agreement that has been formally executed. Even questions of existential substance is a matter that falls squarely in the domain of the arbitral tribunal, in view of Section 16 of the Act.

5. Being satisfied that an arbitration agreement is validly in existence, and that arbitration has been duly invoked, it is in the fitness of things to refer the disputes and differences between the parties in
