PC :

1. This Application has been filed under Section 11 of the Arbitration and Conciliation Act, 1996 (***“the Act”***) seeking appointment of an arbitrator in connection with disputes and differences arising out of Academic Alliance Agreement dated February 10, 2017 (***“Agreement”***). The arbitration agreement is contained in Clause 15.8 (found at Page 52 of the Application). In the interest of brevity, the same is not reproduced here. Suffice it to say that the matter falls within the jurisdiction of this Court.

2. Learned Counsel for the Applicant submits that there is an evident default, and despite issuance of a invocation notice there is no response from the Respondent.

3. The scope of review under Section 11 is explicitly set out in Section 11(6A) of the Act. It is now trite law, with particular regard to the decisions of a seven-judge bench in the *Interplay Judgement*^a followed by multiple others, including *SBI General*^b and *Pate*^c that the Section 11 Court ought not to venture beyond examining the existence of a validly existing arbitration agreement that has been formally executed. Even questions of existential substance is a matter that falls squarely in the domain of the arbitral tribunal, in view of Section 16 of the Act.

4. Being satisfied that an arbitration agreement is validly in existence, and that arbitration has been duly invoked, it is in the fitness of things to refer the disputes and differences between the parties in connection with the aforesaid Agreement dated May 21, 2020 to arbitration by a Sole Arbitrator.

5. In these circumstances, this Section 11 Application is ***finally disposed of***, in terms of the following order :-
