CORAM : SOMASEKHAR SUNDARESAN, J.

DATE : APRIL 9, 2025

PC :

1. These proceedings entail an arbitral award dated February 8, 2023 for an amount of approximately Rs.4.25 Crores along with interest computed @ 10% p.a. on the awarded sum. The execution proceedings are underway. It is the contention of the parties that a warrant of attachment came to be issued on April 17, 2024, but the publicly available record does not show any Court order to that effect. It is common ground that on January 7, 2025 the awarded amount, i.e., Rs.4.25 Crores alongwith interest computed until December 2024 had been deposited with the Registry of this Court. Learned Counsel for the Respondent submits that multiple e-mails have been written to the Sheriff's office stating that the warrant must not be executed since the parties have consensus that any

attachment pursuant to such warrant would be unnecessary in view of the deposit made in this Court on January 7, 2025. It is hereby directed that no attachment shall be executed pursuant to the warrant of attachment issued on April 17, 2024.

2. Registry to examine the records and file a report as to the basis on which warrant of attachment came to be issued and also confirm the status of the deposit and the accruals thereon as on date.

3. List for further consideration on ***May 2, 2025***.

4. All actions required to be taken pursuant to this order shall be taken upon receipt of a downloaded copy as available on this Court's website.
