TPL/12559/2022 )

Mr. Nikhil Rajani i/b. V. Deshpande and  
Company, Advocate for the applicant.

) P.C.: The present Chamber Order is taken out by  
) the applicant for setting aside Order dated  
) 27.03.2024, rejecting captioned Petition under  
) O.S.Rule 986 for non-compliance of office  
) objections.

) Heard Ld. Advocate for the applicant. Perused  
) Affidavit in Support, contents of which are  
) self-explanatory. It is contended that at the  
) relevant time, the applicant was at his native  
) place in Kutch and undergone knee surgery  
) with advise to take rest. Therefore, office  
) objections could not be removed within given  
) time. It is further contended that for the said  
) reasons, delay of 224 days caused in filing  
) present Chamber Order. Ld. Advocate for the  
) applicant submits that captioned Petition is  
) uncontested as on date, and now he will  
) pursue with captioned petition diligently if it is  
) restored to file and therefore, prays for  
) restoration of the same by condoning delay of  
) 224 days.

) Considering grounds mentioned on oath and  
) submissions of ld. Advocate, I am of the view  
) that one opportunity should be given to the  
) applicant. Hence, in the interest of justice,  
) delay of 224 of days caused in filing present  
) Chamber Order is condoned with no order as  
) to costs, and the present Chamber Order is  
) granted as prayed and signed separately.

) The petitioner to remove office objections of  
) Petition and get the same registered and/or  
) numbered within **four** weeks from the date of  
) uploading of order, failing Petition to stand  
) rejected for non-compliance of office  
) objections under O.S.Rule 986.
