**CORAM : M.S. Sonak &

DATED : 6 August 2025

PC:-

1. Tag this appeal along with Writ Petition (L) No.17014 of 2024 because it is now pointed out by Mr. Ochani, learned counsel for the respondent that the writ petition raises substantially the same issues.
2. Mr. Raichandani states that appeal is against the Tribunal's order and writ petition is against the order dismissing the rectification application because no appeal lies against the said order.
3. List the appeal as well as writ petition for further consideration on 10 September 2025.
4. Mr. Ochani states that cross-objections would be filed in the appeal. If such cross objections are filed, the same should

be tagged along with appeal and place for consideration on 10 September 2025.

5. Place the matter for 'Directions.'
