2. The reference to this specific name is found not only in the cover page and the title clause, but also in the signature page and in the notices clause. That apart, in a clause governing Intellectual Property Rights, there is a specific reference to Mahindra & Mahindra Limited and not to an entity by the name Mahindra Trucks & Buses Limited.

3. Consequently, Learned Counsel for the Applicant submits that she will take instructions and confirm as to whether such an entity was at all in existence or it was an administrative mistake in naming Mahindra Trucks & Buses Limited in the agreement, probably in allusion to the Truck & Buses Division of Mahindra & Mahindra Limited.

4. Since this may cut to the root of the matter, let instructions be taken to apprise the Court as to the precise privity of contract with regard to the Spare Parts Supply Agreement dated December 24, 2018. Consequently, stand over to ***April 7, 2025*** under the caption “***Part-Heard***”.

5. All actions required to be taken pursuant to this order, shall be taken upon receipt of a downloaded copy as available on this Court’s website.
