CORAM : SOMASEKHAR SUNDARESAN, J.
Date : March 4, 2025

PC :

1. Learned Senior Counsel for the Applicant submits that the issues involved in the Petition fall in a very narrow compass. According to him, damages have been awarded without evidence. The award is beyond the scope of reference and the award has been passed four years after being reserved. On these grounds he submits, it would be adequate to stay the operation of the impugned award.

2. Be that as it may, Learned Senior Counsel also submits that final hearing of the matter would not take more than **15 minutes** per side given the nature of the issues involved.
3. In these circumstances, list under the caption “***Final Hearing-Section 34***” on ***March 28, 2025***. Note on Submission shall be e-filed on or before the next date by both parties.
4. All actions required to be taken pursuant to this order shall be taken upon receipt of a downloaded copy as available on this Court’s website.
