1. Heard learned counsel for the parties.
2. In this case, the Assessment Order has been issued on 27.03.2025.
3. In similar cases, we have relegated the parties to avail of the alternate statutory remedy of Appeal instead of entertaining the Writ Petition. See Order dated 07.04.2025 - W. P. (L) No. 6140 of 2025.
4. Accordingly, by following the same reasoning and by

granting the Petitioner the same liberties we dispose of this Petition.

5. All contentions of all parties are left open.

6. If the Petitioner institutes an Appeal, the same must be decided on its own merits and in accordance with law.
