CORAM M.S. Sonak &
Jitendra Jain, JJ.
DATED: 15 April 2025

PC:-

1. Heard learned counsel for the parties.
2. In this case, the Assessment order has been issued on 30 March 2025.
3. In similar cases, we have relegated the parties to avail of the alternate statutory remedy of Appeal instead of entertaining the Writ Petition (see order dated 7 April 2025 in Writ Petition (L) No.6140 of 2025.)
4. Accordingly, by following the same reasoning and by granting the Petitioner the same liberties we dispose of this Petition.
5. All contentions of all parties are left open.

6. If the Petitioner institutes an Appeal, the same must be decided on its own merits and in accordance with law.
