**CORAM : SOMASEKHAR SUNDARESAN, J.
DATE : JUNE 11, 2025**

ORDER :

1. This Application has been filed under Section 11 of the Arbitration and Conciliation Act, 1996 (***“the Act”***) seeking appointment of an arbitrator in connection with disputes and differences that are said to have arisen between the parties under an Agreement dated September 7, 2013 (***“Agreement”***). The arbitration agreement is contained in Clause 21 of the Agreement (found at Page No. 53 of the Application). In the interest of brevity, the arbitration agreement is not being extracted here. Suffice it to say that this matter falls within the jurisdiction of this Court.

2. Advocate for the Respondent has entered appearance and accepts service. There is no quarrel about proceeding to arbitration in disposal of Section 11 Application. Further, the Section 9 Petition shall be

converted into an application under Section 17 for consideration by the Arbitral Tribunal.

3. The scope of review under Section 11 is explicitly set out in Section 11(6A) of the Act. It is now trite law, with particular regard to the Supreme Court's decision rendered by a seven-judge Bench in the *Interplay Judgement*¹ followed by multiple others, including *SBI General*² and *Patel*³ that the Section 11 Court ought not to venture beyond examining the existence of a validly existing arbitration agreement that has been formally executed. Even questions of existential substance is a matter that falls squarely in the domain of the arbitral tribunal, in view of Section 16 of the Act.

4. Being satisfied that an arbitration agreement is validly in existence, and that arbitration has been duly invoked, it is in the fitness of things to refer the disputes and differences between the parties in connection with the aforesaid Agreements dated September 7, 2013 to arbitration by a Sole Arbitrator.

5. In these circumstances, no useful purpose would be served by keeping these matters pending any further on the docket of this Court. Both the Application and Petition is *finally disposed of* in the following
