1. Heard. By the consent of both the parties, this matter
is taken up for final hearing.

2. The applicant, by way of present application, seeking the transfer of the proceeding bearing A Petition No.1447/2023 pending before the Family Court, Nagpur to the Family Court, Nashik.

3. According to the applicant, applicant is residing at Nashik after there was a matrimonial dispute between the parties. She stated that she is not having any earning source and, therefore, it is difficult for her to attend the proceeding from Nashik to Nagpur. Therefore, she prayed that the proceeding filed by the non-applicant-husband be transferred from Family Court, Nagpur to Family Court, Nashik.

4. In response to the notice issued by this court, the non-applicant appeared in the matter. He has stated that out of the wedlock, they have one son and one daughter. Son is of 15 years old and daughter is of 12 years old. He is taking all care of his children. There is no one in his family to look after the children. As such, it is submission of the non-applicant that it will be difficult for him to attend the proceeding at Nashik if same are transferred. He also pointed out that there will be no one to take care of the children at Nagpur.

5. After hearing both the parties, I am of the opinion that the present applicant can attend the proceeding at Nagpur if the non-applicant pays her the travelling charges on the date on which she attend the proceeding at Nagpur. Furthermore, now a days video conference facility is made available in the Family Court and the party can appear through video conference the dates on which the matter is fixed. At the time of recording the evidence or for any special reasons, the physical presence of the applicant can be secured in the matter before the Family Court, Nagpur.
