- 3) The allegations made against these applicants are that they are neighbours of the family of the deceased and quarrel took place between them. The applicant No.1 Mangla abused in filthy words against the deceased Shradha daughter of the informant. After two months, Shradha had committed suicide.
- 4) Learned counsel for the applicants stated that there is no nexus of said quarrel and death of the deceased. The only allegation is that the quarrel took place between them and thereafter she had committed suicide. In fact she has committed suicide two months after the incident. Though the offence is registered, custodial interrogation of the applicants are not required.
- 5) Learned APP opposed stating that specific allegations are levelled against the applicants, due to which deceased Shradha had committed suicide. Therefore, he prayed to reject the present application.
- 6) Considering the nexus between the incident and the suicide committed by the deceased, it is not the case of the informant that immediately after quarrel, she had committed suicide.
