CORAM : URMILA JOSHI-PHALKE, J.
DATED : 10/01/2025.

1. All these applications are filed by the applicants, who are the directors of the Unnati Mahila Urban Co-operative Credit Society. By these applications, they are seeking pre-arrest bail in connection with Crime No. 375/2024 registered with Police Station, Malkapur City, District Buldhana for the offences punishable under Sections 406, 409, 420, 120-B, and 201 read with Section 34 of the Indian Penal Code, and under Section 146 of the Maharashtra Co-operative Societies Act, 1960, and under Section 3 of the

Maharashtra Protection of Interest of Depositors (In Financial Establishments) Act, 1999.

2. Learned counsels for the applicants submitted that applicants are the Directors of Unnati Mahila Urban Co-operative Credit Society, and apprehending the arrest at the hands of the police, as crime is registered on the basis of a report lodged by Aruna Manoj Vyavahare alleging that during the audit report, it revealed that there is a misappropriation of Rs.10,13,47,850/-. During the audit report, it further revealed that the Manager of the said Society had interpolated in the record of the Society and committed the misappropriation, and the applicants and the other Directors have not paid any heed towards it, due to which loss is caused to the investors as well as the public money. On the basis of said report, the police have registered the crime.

3. Learned counsels for the applicants further submitted that the applicants are protected by granting ad-interim protection considering the role attributed to them. At the most, the negligence is attributed to them. In view of that, their custodial interrogation is not required, and therefore they be protected by granting anticipatory bail.

4. Learned APP in all these applications strongly opposed the applications and submitted that considering the huge stake of misappropriation and the present applicants, who are the Directors, have signed the resolutions as well as they were present in the meeting, and therefore mere

negligence is not attributable to them, and therefore their custodial interrogation is required.

5. After hearing both sides and on perusal of the audit report, from which it reveals that the entire allegation as far as the misappropriation is concerned, is against the Manager of the Society. The present applicants are the Directors, and the allegation against them is that though there were huge misappropriations, they have not paid any heed towards the transactions which entered by the co-accused, thereby caused loss to the investors, as well as the public money.
