DATE : 17TH JUNE, 2025

The learned counsel for the respondent No.3 seeks time to file additional submissions, in view of the synopsis received.

2. After hearing some time, it appears that there are contentions on the part of the respondents that being a society, writ is not maintainable against the respondent No.3, second contention is that being a workman, the petitioner should approach to the Labour Court and third contention is that the appointing authority/disciplinary authority is not made a party.

3. List the matter on 01/07/2025 for arguments on above contention/preliminary objections.
