6. Learned counsel for the petitioners strenuously submits that this action was taken by the authority i.e. respondent No.3 on the basis of the proposal submitted by the Administrator who does not have power and therefore, both the counsels have submitted the order passed by the Taluka Deputy Registrar is liable to be set-aside.

7. Per contra learned counsel for the respondent and learned AGP for respondent/State as well as learned counsel for the applicant/intervenor submits that against the order passed by the Deputy Registrar under Section 35, the petitioners are having an alternate and equally efficacious remedy of filing an appeal under Section 152 of the Maharashtra Co-operative Societies Act and on that ground prayed to dismiss the petition.

8. Learned counsel for the applicant/intervenor submits that in-fact the petitioners are not having any plots in the society and therefore, he supported the order

of expulsion passed by respondent No.3, pursuant to the proposal submitted by the administrator and he supported the proposal submitted by the administrator.

9. Having gone through the order passed and the submissions advanced by the learned counsels for the respective parties, in view of the fact that a specific remedy of filing an appeal under Section 152 is available to the petitioners, the writ petition is liable to be dismissed, with liberty to the petitioner to file an appeal before the Appellate Authority within a period of four weeks from today.

10. It is made clear that this Court has not recorded any finding on the merit of the matter and it is for the Appellate Authority to consider all the aspects of the matter including the powers of the administrator to submit a proposal.
