2. The order of the Financial Commissioner is dated 29.09.2012, which the petitioner intents to assail by way of this writ petition alongwith the orders passed earlier which led to the passing of order dated 29.09.2012. This writ petition has been filed in the month of October, 2025. The Court fails to understand what has taken the petitioner 13 years to assail the order passed by the Financial Commissioner. Therefore, obviously as the writ petition is hit by delays and latches and as the petitioner cannot be allowed to assail the order passed by the learned Financial Commissioner as far back as in the year 2012, this petition is dismissed in limini, Pending miscellaneous application(s), if any also stand disposed of accordingly.
