W. P. (C) No. 557 of 2017

=====

Dated this the 2nd day of April, 2025

J U D G M E N T

The writ petition is filed by the petitioner who was running a poultry farm within the limits of the 1st respondent Panchayat. Alleging that the application submitted by the petitioner for a trade licence during the year 2016 was not considered, the writ petition is filed for a declaration that the petitioner was entitled to the benefit of deemed licence.

2. It is seen that the licence that was sought for was for the financial year 2016. The period for which the petitioner has sought licence has also expired. The learned counsel for the petitioner submits that the petitioner has been granted licence for the subsequent period and the poultry farm is still running. This is recorded.

In view of the above, nothing further remains to be adjudicated in this writ petition and the same is closed without prejudice to the right of the petitioner to approach this Court again in case there is a fresh cause of action.
