3. It is the case of the petitioner that it applied for establishment of 1.5MW Solar Power Plant as per TNERC's Solar Order. As a precondition, the petitioner deposited a sum of Rs.15,00,000/- towards refundable security deposit. It is stated that the said deposit was made subject to the condition that the petitioner shall commission the solar plant within 12 months. If the petitioner adhere to the time schedule for commissioning of plant, it is entitled to refund of the entire amount. In the case on hand, the petitioner was issued with letter for commissioning of Solar Power Plant by the 3rd respondent on 31.08.2024 and commissioning of the Plant was completed within 3 months on 05.11.2024. Therefore, the petitioner is entitled to refund of the security deposit.

4. In spite of several representations made by the petitioner, the respondents failed to refund the deposit amount, therefore, the petitioner has come before this Court with a prayer to adjust the current consumption charges payable by the petitioner with the security deposit made by it for commissioning of the solar power plant, which is refundable by the respondents to the petitioner.
