4. Considering the obtaining position, we are of the view that the captioned WP can be disposed of by ordering notice to official respondents (RR 1 - 3) and putting in a safety valve / adequate protection *qua* alleged encroacher *i.e.*, R4.

5. Issue notice to official respondents, *i.e.*, RR 1 to 3.

6. Mr. M.S.Arasakumar, learned Government Advocate, accepts notice for RR 1 to 3.

7. In the light of what has been alluded to *supra* and considering the limited scope of the captioned WP, with the consent of both sides, captioned WP was taken up.

8. It was submitted by learned Government Advocate that G.O.(Ms)No.64, Revenue and Disaster Management Department, Land Disposal Wing, dated 08.02.2022 has been put in place, wherein and whereby Divisional Monitoring Committee, District Monitoring

Committee and State Steering Committee have been constituted *inter alia* for a single point reporting / monitoring system *qua* Government lands.

9. In the light of the narrative thus far, we deem it appropriate to refer the matter to the Divisional Monitoring Committee headed by the Revenue Divisional Officer, Revenue Divisional Office, Thiruchengode Taluk, Namakkal, the third respondent herein *qua* G.O.(Ms)No.64, Revenue and Disaster Management Department, Land Disposal Wing, dated 08.02.2022.

10. This Court directs the jurisdictional Divisional Monitoring Committee to examine if there is encroachment *qua* said land. The Divisional Monitoring Committee shall also ensure that adequate and ample opportunity is given to persons concerned, more particularly alleged encroacher (R4) before taking a call. In this regard, we are acutely conscious that the matter is being disposed of in Admission Board without notice to alleged encroacher and therefore, this safety valve is put in place. To be noted, all the rights and contentions of alleged encroacher are preserved for being raised before the

Committee concerned which shall consider the same on their own merits and in accordance with law untrammelled by this proceedings in this Court.

11. The Divisional Monitoring Committee *qua* G.O. (Ms) No.64, Revenue and Disaster Management Department, Land Disposal Wing, dated 08.02.2022, shall (if it comes to the conclusion that there is encroachment) report the encroachment for further action (for removal of encroachment which again shall be after giving adequate and ample opportunity to alleged encroacher). The entire exercise shall be completed within a period of 12 weeks from today *i.e.*, by 23.05.2025.

12. It is open to the writ petitioner and or anyone concerned with this matter to come to this Court on the same issue even with a similar / same prayer if there is any change of circumstances.

13. We make it clear that we have not expressed any view or opinion as to whether there is encroachment or not *qua* said land as it turns on facts and it is for the Divisional Monitoring Committee to take a call on this aspect of the matter. We also make it clear that this

exercise will not apply to patta land and it will apply only to public land, if there is any encroachment in public land.

14. Captioned WP is disposed of with the aforementioned observations and directives in the aforesaid manner. There shall be no order as to costs.
