ORDER

This petition has been filed to quash the Non traceable certificate issued by the respondent police.

2. The grievance of the petitioner is that the third respondent has entered an agreement for sale on 21.03.2008 and original agreement is with the petitioner. Whereas, the third respondent has given a complaint as if the original agreement and power of attorney is lost during his transit, thereby, fraudulently obtained Non traceable certificate from the respondent police.

3. During the last hearing, on the basis of the submission of the learned counsel for the petitioner, this Court directed the petitioner to produce the original agreement and the same is produced today.

4. In view of the above, the very Non-traceable certificate issued by the police as if there was an investigation which resulted in issuance of Non-traceable certificate is nothing but clear fabrication of records. Hence, the impugned non-traceable certificate stands quashed dated 02.03.2021.
