2. A perusal of the pleadings would indicate that the plaintiff would state that a cart track is in existence and the same is denied by the defendant. Therefore, in order to ascertain the true state of the property, respondent had filed I.A.No.281 of 2024 for appointment of an Advocate Commissioner to note down the existence of the cart track. Accordingly, vide, impugned order dated 26/11/2024, the learned Principal District Munsif, Kallakurichi stated that identification of cart track is very material to decide the case on hand and hence, appointed the Advocate Commissioner and directed to take assistance of a Surveyor and measure the cart track and submit his report.

3. Since the dispute is with reference to the existence or otherwise of the cart track, this Civil Revision Petition is disposed of, with a direction to the Advocate Commissioner to note down the existence of cart track and submit his report and plan. No costs. Consequently, the connected Miscellaneous Petition is closed.
