3. It is the case of the petitioner that it is an industry owning windmills under captive scheme under 4th respondent, generating wind energy and supplying surplus energy to TANGEDCO under Energy Wheeling Agreement. The petitioner had erected Wind Energy Generators, which generates power and the petitioner utilised the portion of the electric energy generated by it and surplus was supplied to the respondents.

4. As per the details furnished by the 4th respondent, the petitioner supplied energy to the respondents for value of Rs.75,60,760/-upto March-2023. The petitioner raised invoice for encashment of the above said amount based on the applicable tariff and the same has not been honoured by the respondents. Therefore, the petitioner has come before this Court with a prayer seeking adjustment of the amount due to the petitioner from TANGEDCO/respondents 2 to 7. The petitioner submitted a representation on 13.09.2024 enclosing statement downloaded from the website of the TANGEDCO. Therefore, there is no dispute with regard to the quantum payable by TANGEDCO to the petitioner towards electricity supplied by it.
