ORDER

WEB COPY This Writ Petition has been filed in the nature of a Mandamus, seeking a direction against the respondents to pay interest for the delayed payment of terminal benefits, including PF, gratuity, earned leave salary and commuted value of pension. The petitioner also seeks interest at the rate of 12% per annum.

2. The petitioner had joined the service of the first respondent on 01.10.1989 and he had retired from service on attaining the age of superannuation on 28.02.2023. It is contended that the PF, gratuity, earned leave salary and commuted value of pension had not been paid within the stipulated period as enunciated in the enactments governing the said payments. In this connection, the petitioner had made a representation on 19.11.2024, seeking interest at the rate of 12% per annum. Since no decision had been conveyed by the respondents, the Writ Petition has been filed in the nature of a Mandamus.

3. Mr. K.Raja, learned Standing Counsel had taken notice on behalf of the respondents.

4. The only appropriate course is that the amount, which has been paid belatedly, should also be paid together with interest. But, however, the interest is determined at the rate of 6% per annum. It is only in the interest of the respondents that they make payments, as otherwise, they would only suffer payment of additional and further sums towards interest. A direction is therefore given that the interest component on the aforementioned amount should be paid within a period of three months from the date of receipt of a copy of this order.

5. With the above observations, this Writ Petition stands disposed of.

No costs.
