Counsel for the third respondent, would submit that such a footage is very much available and the same is also being handed over to the petitioner. The learned Counsel would also submit that the proper party will be the MIOT Hospitals Private Limited Hospital and not the Doctor in question.

I have already stated that I am not going even into the maintainability of the Writ Petition and it is appreciable on behalf of the Hospital to voluntarily hand over the tape without even any decision by this Court. Already, the pen drive, containing the video has been handed over to the learned Counsel for the petitioner.
