3. The revision petition has been filed challenging the award passed by the Lok Adalat, on 11.12.2021. The grievance of the revision petitioner is that the Item No.2 of Schedule B has been made part of the Lok Adalat award, is outside the scope of the suit property which is belonging to the

4. The learned counsel for the respondents would fairly submit that the inclusion of Item No.2 in Schedule B is omitted only by inadvertence and they have no objection for the revision being allowed as prayed for. However, they would seek for retaining the remaining award after excluding Item No.2 of Schedule B.

5. In light of the fair submissions of the learned counsel for the respondents, the revision is ***allowed*** and the award dated 11.12.2021, shall stand set aside only in respect of the Item 2 of Schedule B properties. In all other aspects they have binding and have full force as between the parties to the award.
