ORDER

The petitioner states that one Ashok, originally owned large extent of lands, about 15.66 acres, in S.Nos.307, 308, 318, 354(part) and 355(part) of No.12, Kalapatti Village of Kalapatti Town Panchayat, and promoted a layout of house sites by obtaining approval for the layout in the name of Sri Balaji Nagar, vide Approval No.LP/DT&CP No.989/89 in Ref.No.Na.Ka.No.400/89 உகுதி 3. As per the approval layout, an extent of 1.50 acres was reserved for the public purpose of Park. Whiles, the original owner submitted a letter to the Executive Officer, Kalapatti Town Panchayat on 25.11.1990, requesting the Town Panchayat to purchase the reserved land for

market price. The said request was rejected by the then Executive Officer, stating that the Panchayat did not require the lands. According to the petitioner,

the Panchayat thereafter also did not take any steps to acquire the land reserved for park in terms of the development plan and the layout. Under the circumstances, the original owner applied for revision of the layout plan and the Executive Officer also granted approval for the revised plan in Approval No.177/89/A2, dated 03.01.1991. Under the revised layout plan, 10% of the layout area was reserved for public purposes like temple, park etc. and the same had ever since been separately maintained as vacant land. Subsequent to the revised layout, the petitioner purchased the plot measuring 3840 sq.ft. under the sale deed dated 04.07.1991. The petitioner thereafter applied for planning permission to the Executive Officer, Kalapatti Town Panchayat and the same was approved under approval No.611/200809, dated 18.09.2008. The petitioner constructed the residential house and has since been residing with his family. The petitioner was issued patta and was also regularly paying property tax to the Kalapatti Town Panchayat, now the Coimbatore Corporation. The petitioner states that even the Coimbatore Municipal Corporation, after the revised layout

approval, re-classified the land originally reserved for public purposes as residential area in the regional plan and displayed the same as a residential area in the website maintained by it. Whiles, the 4th respondent on 14.06.2017, issued a notice to the petitioner under sections 258 and 441 of the Coimbatore City Municipal Corporation Act, 1981, calling upon him to vacate and deliver vacant possession of his plot. The petitioner states that his neighbour who was issued with similar notice challenged the same in W.P.No.18139 of 2017, and the Hon'ble Division Bench disposed of the writ petition, by issuing certain directions stated therein. Pursuant to the said order of the Division Bench, the petitioner submitted a representation on 27.07.2018, to the respondents. However, till date no action was taken and therefore aggrieved by the inaction of the respondents, the petitioner filed the above writ petition for the aforesaid relief.

2. I heard both the learned counsels and perused the materials placed on record.

The learned counsel further submitted that the petitioner appeared in the enquiry and thereafter, there was no progress. The learned counsel therefore submitted that directions may be issued to the respondents to conclude the enquiry and pass orders within a reasonable time fixed by this Court.

4. The facts of the case are admitted and therefore they are not traversed to avoid repetition. The respondents pursuant to the order of the Hon'ble Division Bench, dated 19.04.2018, in W.P.No.18139 of 2017, summoned the petitioner for an enquiry on 15.10.2024, vide notice dated 14.10.2024.
