It can be seen that in one such order in W.P.No.38309 of 2024, the writ petition is disposed of on the following terms and the entire order from paragraph Nos. 2 to 8 is extracted hereunder:-

“2. the portion of the electric energy generated by it and surplus was supplied to the respondents.

4. As per the details furnished by the 4th respondent, the petitioner supplied energy to the respondents for value of Rs.35,41,322/- upto March-2024. The petitioner raised invoice for encashment of the above said amount based on the applicable tariff and the same has not been honoured by the respondents. Therefore, the petitioner has come before this Court with a prayer seeking adjustment of the amount due to the petitioner from TANGEDCO/respondents 2 to 5. The petitioner submitted a representation on 26.04.2024 enclosing statement downloaded from the website of the TANGEDCO. Therefore, there is no dispute with regard to the quantum payable by TANGEDCO to the petitioner towards electricity supplied by it.

5. Heard the argument of learned counsel appearing for the petitioner and Mr.Syed Sibuthullah, learned Standing Counsel (TNEB), who is taking notice for the respondents.

6. This Court in similar cases in W.P.No.31140 of 2024, dated 19.10.2024 batch cases, passed the following orders:-

(c) The TANGEDCO shall not take any coercive steps to disconnect the electricity connection to the petitioners until the outstanding amounts due and payable is completely adjusted towards the current consumption charges/open access charges payable by the petitioners.”
