2. The petitioners owned the said properties. While that being so, the persons, who had no title over the properties, filed a vexatious suit in respect of the subject properties as against the petitioners in O.S. No. 75 of 2024 on the file of the District Munsif Court, Krishnagiri. The petitioners filed a Civil Revision Petition in C.R.P. No. 2963 of 2024 before this Court to strike off the plaint in O.S. No. 75 of 2024 on the file of the District Munsif Court, Krishnagiri. This Court, by order dated 07.02.2025, allowed the said Civil Revision Petition and thereby struck off the plaint in O.S. No. 75 of 2024. This Court also observed that the original revenue records of the Government prior to the year 1984, i.e., 1954 to 1987, clinchingly establish the fact that S. Nos. 303/1 and 304/5 are classified as Ryotwari Punjai land and stood in the name of private individuals. Therefore, the contention of the plaintiff therein that the classification has been wrongly changed only in the year 1984 itself is classified.

3. Thereafter, when the petitioners filed an application to survey the land and mark the boundaries of their properties, along with the requisite fees. Thereafter, the fourth respondent engaged a surveyor and was

about to survey the petitioners' properties. Once again, the same third party, viz., the plaintiff in O.S. No. 75 of 2024, obstructed the fourth respondent and the surveyor from surveying their properties. Therefore, the petitioners submitted a representation seeking police protection to survey and mark the boundaries of their land.

4. In view of the above, the fourth respondent and Surveyor, while surveying the petitioners' land, if they find any obstruction from the third party in surveying and marking the boundaries of the petitioners' land, they can seek Police Protection before the third respondent. On such request, the third respondent is directed to provide adequate police protection to the authorities to survey the petitioners' land forthwith.

5. With the above directions, this Writ Petition is disposed of. No costs.
