Ares) of Ammanankoil Revenue Village, Natrampalli Taluk, Thirupathur District, in pursuance of the representation dated 30.01.2025.

2. Heard both sides and perused the materials placed on record.

3. The petitioner is the owner of the properties comprised in Survey Nos. 168A/1B2D1 (1 Are) and 168A/4 (17 Ares) in Ammanankoil Revenue Village, Natrampalli Taluk, Thirupathur District. It is submitted that there were certain incorrect entries in the patta of the subject property, which included the name of a third party. The third party instituted a suit against the petitioner's father in O.S. No. 1328 of 1993, which culminated in a finding that the said third party was not in possession of the lands in question. This finding was upheld by this Court in Second Appeal No. 873 of 2007. Upon the demise of the petitioner's father, the petitioner has been in possession of the subject property. In order to demarcate the boundary line and to erect a fence around the property, the petitioner applied for a survey of the land, along with the requisite fees. Though the revenue authorities engaged a

surveyor, the third party obstructed the surveyor from carrying out the survey.

4. In view of the facts and circumstances of the case, it is observed that in the event the surveyor encounters any obstruction or hindrance while surveying the petitioner's property for the purpose of fixing the boundary line, the surveyor is entitled to seek assistance from the second respondent, who shall provide the necessary police protection. On receipt of such a request, the second respondent is directed to conduct an enquiry and, if necessary, provide adequate police protection to the surveyor during the process of surveying the petitioner's land.

5. With the above directions, the writ petition stands disposed of.

No costs.
