3. The 2<sup>nd</sup> respondent has filed a counter affidavit. In the counter affidavit, it has been stated that one Kathirvel approached this Court and filed W.P.No.230 of 2011, wherein, he had sought for restoration of his land in New S.F.No.57 (Old S.F.No.272). An order was passed in the writ petition and since the same was not complied with, a contempt petition was filed in Cont.P.No.945 of 2012. When the contempt petition came up for hearing on 13.02.2014, this Court directed the Executive Engineer of Public Works Department to give adequate protection through police and revenue authorities to form Field boothies. Aggrieved by the said direction, an appeal came to be filed in W.A.No.1388 of 2014. This Writ Appeal was dismissed by an order dated 10.07.2023.

4. Initially, these writ petitions along with the connected writ petition was directed to be listed along with the Writ Appeal. Now that, an order is passed in the Writ Appeal on 10.07.2023, it is brought to the notice of this Court that already steps have been taken to construct the Field boothies. Hence, no further orders are required to be passed in these writ petitions.
