exercised within the frame work of Chapter XIII of the Bharatiya Nagarik Suraksha Sanhita, 2023. Though the Sanhita empowers the Magistrate to be a guardian in all the stages of the police investigation, there is no power envisaging him to interfere with the actual investigation or the mode of investigation. It is in this background that numerous petitions complaining of harassment are being reported and filed before this Court seeking for directions to refrain the police officials from harassing the persons named in a complaint.

7. This Court, exercising its power under Section 528 of the Bharatiya Nagarik Suraksha Sanhita, normally would not interfere with the investigation conducted by a police officer. Nevertheless, it would also not turn a blind eye to instances of harassment by the police under the guise of investigation is brought to its notice.

8. In the present case in hand, the petitioner has complained of harassment by the police based on a complaint and seek for this Court's intervention by way of a direction. The term 'harassment' by itself has a

very wide meaning and hence, what could be harassment to the petitioners may not be the same to the police officer.

9. In order to circumvent such situations, the following guidelines are issued:

a) While summoning any person named in the complaint or any witness to the incident complained of, the police officer shall summon such person through a written summon under Section 179 of the Bharatiya Nagarik Suraksha Sanhita, specifying a particular date and time for appearing before them for such an enquiry/investigation.

b)The minutes of the enquiry shall be recorded in the general diary/station diary/daily diary of the police station.

c)The police officer shall refrain himself or herself from harassing persons called upon for enquiry/investigation.

d)The guidelines stipulated for preliminary enquiry or registration of FIR by the Hon'ble Supreme Court in **Lalita Kumari Vs. Government of Uttar Pradesh and others [2014 (2) SCC (1)]** shall be strictly adhered to.
