W.P.No.9595 of 2025

**Prayer :** Writ Petition filed under Article 226 of the Constitution of India, to  
issue a Writ of Certiorari, calling for the records of the first respondents in  
Ref.Va.No.01/2024 dated 28.10.2024 and quash the same.

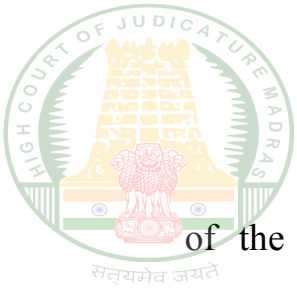

For Petitioner : Mr.Gopalakrishnan

For Respondents : Mr.V.Manoharan for R1  
Additional Government Pleader

### **ORDER**

This Writ Petition is filed with the prayer to call for the records on the file of the first respondent relating to the impugned order dated 28.10.2024 and quash the same.

2. The grievance of the petitioner as disclosed in the affidavit and as argued by the learned counsel appearing on behalf of the petitioner is that a School is run by the Trust and there seems to be a dispute between the petitioner as well as one P.Arumugam, who is arrayed as representing the second respondent with reference to who is in the management of the School. The contention of the petitioner is that there is absolutely no right on the part

of the said P.Arumugam and he has submitted a forged and incorrect document to obtain fire certificate for the School. The impugned order ought not to have passed at the behest of the second respondent.

3. I have also heard the learned Additional Government Pleader appearing on behalf of the first respondent.

4. I have considered the said arguments made by the learned counsel for the petitioner and perused the material records of the case.

5. It can be seen that there exists a dispute between the petitioner Sharavanan and the person who is representing the second respondent, namely P.Arumugam, with reference to the management of the school. That dispute, has to be resolved only in the Civil Court. It is stated that already O.S.No.168 of 2023 is pending before the District Munsif Court, Attur and another suit O.S.No.8 of 2024 is also pending on the file of the learned Subordinate Judge, Salem. Therefore, the parties have to agitate their rights only in the pending suit and the Fire Officer is not an appropriate

Authority to decide their interstate disputes. Therefore, the only concern of the Fire Officer will be that whether the place is confirmed to the norms and he inspects and grants the certificate.

6. Therefore, leaving it open, the grievances of the petitioner against the second respondent to be agitated in the pending Civil Suits, the prayer in the present Writ Petition cannot be countenanced. As such, this Writ Petition stands dismissed. No costs. Consequently, connected Miscellaneous Petition is closed.
