ORDER

This petition has been filed to quash the First Information Report in Crime No.848 of 2023 on the file of the first respondent police.

2 According to the petitioner, he is the proprietor of M/s.Green Tech Structural Construction and was entrusted as contractor to carry out secant piling and allied work, with M/s.Hinduja Leyland Finance Limited. After completing the work as per the contract, the petitioner handed over the site even one month prior to the occurrence. In fact, initially the FIR was registered only for man missing case and subsequently it was altered to Section 304(ii) IPC. The petitioner is no way connected with the death of the deceased and he was wrongly impleaded in this case. Therefore the FIR has to be quashed.

3 Learned Government Advocate (Crl.Side) for the first respondent police would submit that the petitioner is an accused in Cr.No.848 of 2023. It is true that initially the case was registered for man

missing and subsequently the body of the deceased was found in the site, in which the petitioner carried out the works under the contract with M/s.Hinduja Leyland Finance Limited and hence Section was altered to 304(ii) IPC. The petitioner paid compensation to the family of the deceased, which also evidence for the involvement of the petitioner.

4 Heard the learned counsel for the petitioner and the learned Government Advocate (Crl.Side) for the first respondent police and perused the materials available on record.

5 It is seen that based on the complaint given by the father of the deceased the case in Cr.No.848 of 2023 was registered for man missing. Subsequently since the body of the deceased was found in the site, where the petitioner carried out construction works and based on the statement of the defacto complainant, who is the father of the deceased, section was altered to 304(ii) IPC and the petitioner herein was also arrayed as an accused.

6 It is the contention of the learned counsel for the petitioner that he handed over the site even one month prior to the occurrence and due to natural calamities, the deceased died and hence the petitioner is no way connected with the occurrence. Per contra, it is the submissions of the learned Government Advocate that the petitioner paid compensation to the family of the deceased and thereby he admitted his liability.

7 Even though as contended by the learned Government Advocate the petitioner paid compensation to the family of the deceased that can not be taken as a confession of the commission of the offence and it may be paid on the ground of humanity and sympathy. However, a perusal of the FIR and the Section alteration report shows that there exist *prima facie* allegations and the case cannot be quashed at this stage.

8 Therefore the first respondent police is directed to conduct fair and impartial investigation and file final report as expeditiously as possible preferably within a period of two months from the date of receipt of a copy of this order.

9 With the above directions, this Criminal Original Petition stands dismissed. Consequently connected miscellaneous petition is closed.
