Heard.

2. Though this contempt petition was filed alleging willful disobedience of an order passed by this court on 3.4.2024, after going through the status report, affidavit, rejoinder and other materials which have been placed on record, we find that after the order was received, proceedings were drawn and order of sealing the premises was also passed, which is under challenge in various proceedings and even a writ petition was filed, wherein a direction

3. Therefore, we are not inclined to hold that it is a case of willful disobedience, so as to warrant any punitive action against the respondents.
