5. The Petitioner states that he is residing near a multi-storey apartment, and is facing serious health hazards due to the continuous dumping of waste and stagnation of sewage water in the residential area. The petitioner made several representations and personal visits to the concerned authorities, including the Commissioner, Health Inspector, and Panchayat President, but no action was taken. The situation worsened with the onset of rains, increasing the risk of mosquito breeding and disease. The Petitioner therefore submitted a representation to the respondents on 18.11.2024, since no action was taken by the respondents, the petitioner filed the present writ petition, seeking directions to the respondents to consider and pass orders on the petitioner's representation.

6. Though many grounds were raised in support of the writ petition, the learned counsel for the petitioner submitted that it would suffice if, this Court issues directions to the 4th respondent to consider the petitioner's representation dated 18.11.2024, and pass orders within a time frame as fixed
