This application has been filed seeking permission to introduce further documents by the plaintiffs.

2. These documents do not relate to the suit claim, but rather to an auxiliary application filed in A.No.3210 of 2024 again by the plaintiffs under Order 39 Rule 2A of CPC. The documents, as stated, have no direct bearing on the relief sought in the suit.

3. It would only be appropriate that evidence is adduced in A.No.3210 of 2024 along with the suit in C.S.No.329 of 2008. The plaintiffs are permitted to adduce evidence. The plaintiffs will have to concentrate on marking documents towards the suit claim and in the application, the documents which are now produced may also be marked, but however, subject to proof, relevancy and admissibility. The defendants may cross-examine the witness for the plaintiffs on both the averments in the suit and also on the affidavit filed in support of the A.No.3210 of 2024. Accordingly, this application stands allowed.
